

Biology - (Grades 8-12) Science Credit with Lab

Offered by: Central Mass. Christian Homeschoolers (2017-2018)

Lab Instructor: Steve Ezzy (MS Zoology)

Time: Friday 10:20-11:50

Location: Grace Baptist Church, Hudson, MA

Class & Material Cost: \$160 Non-members/\$40 CMCH Members

Text Book: *Exploring Creation with Biology, 2nd Edition*, Wile and Durnell 2005, Apologia Educational Ministries, Inc. (must be purchased by student).

Recommended: Participating in the free AYOP class lectures at www.virtualhomeschoolgroup.com to enhance the learning. (Mr. Ezzy will be giving some lecture instruction as it pertains to the labs, however students will be expected to read the text and take the tests at home under parental supervision.)

Prerequisite: None

This is a 1 ½ hour Biology lab class that meets on Friday only (twice a month on regular co-op days with the possibility of meeting two to four more times as needed), facilitated by Mr. Ezzy. There will be lab reports to complete and these will be graded by the parent (or teacher's assistant TBD). There will also be lab practical exams in order to test the students' knowledge of the microscope and dissections.

Exploring Creation with Biology, 2nd Edition is an award-winning, college-prep biology course that provides a detailed introduction to the methods and concepts of general biology. With a strong emphasis on vocabulary and experiments, the course provides the student with a solid background in biology, presented in a readable, conversational tone. The lab instructor may choose to supplement the classroom experience with the lab curriculum which accompanies *Biology 4th Edition*, Batdorf & Lacy 2011, BJU Press.
