

Chemistry - (Grades 9-12) Science Credit with Lab

Offered by: Central Mass. Christian Homeschoolers (2017-2018)

Teacher: **TBA**

Time: Friday 10:20-11:50

Location: Grace Baptist Church, Hudson, MA

Class & Material Cost: \$160 Non-members/\$40 CMCH Members

Book: Here is a list of texts that work with our Micro Chem Kits:

Recommended, but not required: Some of the students will be taking an online Chemistry Class to support the learning of the material. Some options for this could be, but are not limited to:

DIVE - <https://www.diveintomath.com/chemistry-11th-grade/>

HSLDA Online Academy - <https://academy.hslda.org/?HSLDARelated>

Wilson Hill Academy - <http://www.wilsonhillacademy.com/>

Prerequisite: Math proficiency. Algebra 2 must be either completed or taken concurrently.

This is a 1 ½ - 2 hour class that meets on Friday only (meets twice a month on regular co-op days with the possibility of meeting two more times as needed). We will be using the Micro Chem Kits as seen here:

<http://www.qualitysciencelabs.com/chemistry-labs/microchem-kit-standard-edition/>

There will be lab reports required for each class to complete, these will be graded by a co-op member.
